Hand Car Washes Not to many choices in Bowling Green ! Some closed since last time we were there. One guy had the nerve to tell me “We Don’t Want Your Business” LOL must have been a Mustang owner. I took him off the list obviously.

Right now it appears your best bet is right AT THE HOST HOTEL

Morris Auto Detailing should be making arrangements to set up a hand car wash at the Holiday Inn Host Hotel. They said they plan on being there as late as they need to be in the evening on Wed, Thur, Fri., Sat. their phone number **270-776-4298**. You should probably call ahead and make your reservation cause they usually have a waiting list during this event.

Here are some others that I found in town that actually answered their phones.
