WHAT’S NEW

NEW LOOKS. ADDED TECHNOLOGY. MORE CHOICES.

The 2019 Camaro lineup has undergone a dramatic refresh and will incorporate new, distinct design elements for a powerful road presence. Available performance and driver-centric technologies have also been added with the 10-speed paddle-shift automatic transmission featuring Custom Launch Control with Line Lock now available on SS, a new available Rear Camera Mirror¹ and next-generation infotainment. The 2019 lineup also provides new choices and pricing – Camaro LS now offers the available 8-speed automatic transmission, while a new 3LT trim helps create more distinction in the lineup. In addition, a new Turbo 1LE (available track package on LT models equipped with the 2.0L Turbo and 6-speed manual transmission) will round out the lineup’s performance family.

The 2019 Camaro arrives in showrooms Fall of 2018.

KEY CHANGES

| STYLING | PERFORMANCE | TECHNOLOGY |
|---|---|--|
| New front and rear fascias and more distinctive LED lighting provide three distinct looks for LS/LT, RS and SS. ZL1 will receive an updated rear fascia and taillamps | New Turbo 1LE with specific content for the track, available 10-speed paddle-shift automatic transmission featuring Custom Launch Control with Line Lock on SS (currently offered on ZL1) | New Rear Camera Mirror ¹ available on SS and ZL1, available Forward Collision Alert ¹ , improved Rear Vision Camera ¹ with digital high-definition camera, and next-generation Chevrolet Infotainment 3 System ² on all models |

TRIM LEVELS

| LS | LT | SS | ZL1 |
|-----|-----|-----|-----|
| 1LS | 1LT | 1SS | ZL1 |
| | 2LT | 2SS | |
| | 3LT | | |

Preproduction Camaro models shown with optional equipment. Actual production model may vary.

¹ Read the vehicle’s Owner’s Manual for important feature limitations and information. ² Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

WHAT'S NEW: KEY ENHANCEMENTS

EXTERIOR DESIGN ENHANCEMENTS

- LS and LT receive a new hood, new front fascia, new LED headlamps, new rear fascia and new LED taillamps with Red lens
- Available RS Appearance Package (LT trim levels) adds LED headlamps and LED taillamps with dark lens from SS and a distinct polished Black grille with Galvano Chrome lower inserts
- SS receives a new hood with functional air extractor, new front fascia with metallic Black grille bar and integrated Chevrolet flowtie emblem, new LED headlamps, new rear fascia and new LED taillamps with dark lens
- ZL1 will carry over the front fascia and headlamps but add a new rear fascia and LED taillamps with dark lens
- LT with RS Appearance Package and SS trim levels equipped with dual-mode exhaust along with ZL1 will receive a specific rear diffuser with functional side air vents
- New available [exterior color choices](#) including Riverside Blue and Satin Steel
- New wheel designs on LS, the RS Appearance Package and SS (SS wheels are paired with summer-only tires¹)

NEW PERFORMANCE OPTIONS

- 10-speed paddle-shift automatic transmission featuring [Custom Launch Control with Line Lock](#) (currently offered on ZL1) is now available on SS
- New Turbo 1LE (available track package on LT models equipped with the 2.0L Turbo and 6-speed manual transmission) rounds out the lineup's performance family

ENHANCED TECHNOLOGY

- Next-generation Chevrolet Infotainment 3 System²
- New for SS and ZL1, an available Rear Camera Mirror³ offers a wider, less obstructed field of view than a traditional rearview mirror to assist when driving, changing lanes and checking for vehicles and traffic conditions
- Improved Rear Vision Camera³ system with new, digital high-definition camera offers improved view quality
- Available Forward Collision Alert³
- Available Interior Spectrum Lighting with enhanced color choices

PRODUCT: A POWERFUL NEW LOOK

Camaro will add the following design enhancements for the 2019 model year. This new stunning profile and presence can be seen and felt in every turn.

2019 CAMARO SS

2018 CAMARO SS

New Riverside Blue exterior shown

- 1 / New taller hood design with functional air extractor
- 2 / New LED headlamps with LED light bar, LED turn signals and LED DRLs
- 3 / New front fascia with metallic Black grille bar and integrated Chevrolet flowtie emblem
- 4 / Aero-driven design with subtle “air curtains” that guide air around the wheels to help reduce drag
- 5 / New rear diffuser (models with available dual-mode exhaust add functional side air vents)
- 6 / New 20-inch wheels paired with summer-only tires (available Carbon Flash shown)¹
- 7 / New rear fascia and LED taillamps with dark lens

Preproduction Camaro models shown with optional equipment. Actual production models may vary.

¹ Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle’s performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires/ or see your dealer.

PRODUCT: ENHANCED TECHNOLOGY

NEXT-GENERATION INFOTAINMENT SYSTEM

For 2019, Camaro will offer a next-generation Chevrolet Infotainment 3 System¹ with available high-resolution, digital high-definition displays. This system contains several user-friendly enhancements:

- A simple interface with clean, modern screen layouts, intuitive controls and a Summary View page that keeps the most frequently used apps in easy view
- Multiple user profiles and the ability to select preferences (including radio presets, display preferences, sound/speech/audio, Favorites, navigation preferences and apps)
- Bluetooth[®] capability² for two users (ability to use two active phones)
- Advanced Navigation³ with up-to-date Points of Interest and 3D views, real-time traffic and routing (Cloud-connected)
- An updatable platform with Cloud connectivity (automatic vehicle software updates to be uploaded over the air)

(IOT) 8-INCH DIAGONAL COLOR TOUCH-SCREEN SHOWN.

Camaro will offer:

(IOR) – STANDARD ON LS, 1LT AND 2LT

7-inch diagonal color touch-screen

Apple CarPlay^{TM4} and Android Auto^{TM5} compatibility

PLUS (IOS) – AVAILABLE ON 1LT AND 2LT, STANDARD ON SS AND ZL1

8-inch diagonal color touch-screen (high-resolution)

Apple CarPlay^{TM4} and Android Auto^{TM5} compatibility

Voice recognition, personalization and App shop

Available Bose[®] audio system

PREMIUM (IOT) – STANDARD ON 3LT, AVAILABLE ON SS AND ZL1

8-inch diagonal color touch-screen (high-resolution)

Apple CarPlay^{TM4} and Android Auto^{TM5} compatibility

Voice recognition, personalization and App shop

Navigation³

Standard Bose[®] audio system

PRODUCT: ENHANCED TECHNOLOGY

FORWARD COLLISION ALERT¹

For 2019, Camaro will offer Forward Collision Alert. If this system detects that a front-end collision situation is imminent while following a detected vehicle, it alerts the driver to a potential crash. It also alerts them if they are following a detected vehicle much too closely.

NEW REAR CAMERA MIRROR¹

For 2019, Camaro 2SS and ZL1 will add a Rear Camera Mirror (RCM). Compared to a traditional inside rearview mirror, this RCM display is designed to provide a wider, less-obstructed field of view to assist when driving, changing lanes and checking for vehicles and traffic conditions. Unlike an inside rearview mirror, the view provided by the RCM is unobstructed by the vehicle’s pillars, decklid, roof, head restraints and rear-seat occupants. The RCM uses a rear-looking camera with 1920 x 1080 resolution located in the rear of Camaro, packaged into the spoiler.

The RCM offers the following functionality:

- Drivers can pull the tab under the inside rearview mirror toward them to switch from a traditional mirror view (reflective surface) to a RCM view and back
- The brightness, zoom and vertical tilt of the RCM can be adjusted using three buttons (mode, down and up) located on the right underside of the mirror

ENHANCED INTERIOR SPECTRUM LIGHTING

The available Interior Spectrum Lighting has been enhanced for 2019. This system still operates the same, offering 24 different ambient lighting effects, along with a "car show" mode. However, 8 of the color choices on the system now display a "blending effect" during travel around the radio, door trim and cup holders.

¹ Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle’s Owner’s Manual for important feature limitations and information.

PRODUCT: MORE PERFORMANCE

Preproduction Camaro model shown with optional equipment. Actual production model may vary.

10-SPEED PADDLE-SHIFT AUTOMATIC TRANSMISSION

For 2019, Camaro SS will offer an available 10-speed paddle-shift automatic transmission, currently available on ZL1. This transmission delivers nearly instantaneous shifts for maximum performance while featuring a wide band of ratios for an optimum range of power in any gear. SS models equipped with this 10-speed automatic also feature [Custom Launch Control and Line Lock](#) (introduced on Camaro ZL1). Custom Launch Control allows the driver to adjust both the launch rpm and rear wheel slippage through the Driver Information Center (now with a new Brake Pressure bar graphic to assist with operation), while Line Lock lets you lock the front wheels to enable the rear wheels to spin, warming the tires for maximum grip at the drag strip.

>> Look for more details on 2019 Camaro performance enhancements at the time of ordering.

PRODUCT: MORE PERFORMANCE

CUSTOM LAUNCH CONTROL AND LINE LOCK

SS now offers Custom Launch Control with Line Lock (featured with the available 10-speed paddle-shift automatic transmission) to assist the driver in getting enhanced acceleration at the drag strip. Custom Launch Control is displayed on the Driver Information Center (DIC) and allows the driver to adjust both the launch RPM and rear wheel slippage of SS. Custom Launch Control also features Line Lock, which lets the driver lock the front wheels to enable the rear wheels to spin, warming up the tires for maximum grip at the drag strip.

Custom Launch Control is operated using the steering wheel button controls.

To enter Custom Launch Control:

- The vehicle must be in Track mode
- Performance Traction Management (PTM) must be enabled
- The steering wheel must be straight
- The driver’s door must be closed
- The transmission must be in a gear other than R (Reverse)
- The parking brake must be engaged

Using the buttons on the right side of the steering wheel, press the left arrow key to opt the top-level DIC menu. Scroll down using the down arrow to OPTIONS and press SEL. Use the symbols to access the Custom Launch Control menu. Use the symbols to open the Options menu, then to highlight “Custom,” then press SEL to select “Custom.” Once the driver is in Custom Launch Control, they will see the vehicle settings (launch RPM and slip target). These settings are held over a key cycle. These settings can be adjusted using the right side steering wheel switch.

ENTERING LINE LOCK

Drivers can operate the Line Lock feature of Custom Launch Control by using the same steering wheel buttons used to adjust the DIC.

To enter Line Lock, all of these conditions must be met:

- The vehicle must be in Track mode
- PTM must be enabled in ZL1 Coupe
- Competitive Driving Mode must be enabled in SS and ZL1 Convertible
- The steering wheel must be straight
- The driver’s door must be closed
- The transmission must be in a Forward gear

Using the buttons on the right side of the steering wheel, press the left arrow key to open the top level DIC menu. Scroll down to OPTIONS using the down arrow and press SEL. Use the up and down arrows to navigate to the Custom Launch Control menu, open the Options menu and highlight Line Lock.

- 1) Press the brake pedal firmly to move the bar graph to 100%
- 2) Release the brake pedal
- 3) There are 15 seconds to complete the burnout. To release the brakes and roll out, press the left side Cruise On/Off button and right side SEL button at the same time

PRODUCT: MORE PERFORMANCE

Preproduction Camaro model shown with optional equipment. Actual production model may vary.

NEW 2019 CAMARO TURBO 1LE

For the 2019 model year, 1LE returns and will be available on V6, SS and ZL1 models to push performance to the limit with precision braking, steering, handling and grip. New for 2019, will be the addition of a Turbo 1LE option for driver’s seeking a new experience on the track or Autocross course. This available track package can be added to LT models equipped with the 2.0L Turbo and 6-speed manual transmission to enhance braking, steering, handling and grip (utilizing similar content from Camaro V6 1LE models). Features include:

- 2.0L Turbo with 275 horsepower and 295 lb.-ft. of torque
- 6-speed manual transmission and limited-slip differential
- Delivers a GM-estimated lateral acceleration of 0.97g
- 20-inch Black forged-aluminum wheels with Goodyear® Eagle® F1 Supercar summer-only 245/40ZR20 front and 275/35ZR20 rear tires¹
- FE3 suspension components, including dampers, rear cradle mounts, ball-jointed rear toe links and stabilizer bars
- Heavy-duty cooling – engine oil cooler, dual outboard radiators and transmission cooler
- Enhanced fuel system for higher-load cornering capability
- Brembo® 4-piston front brake calipers
- Driver Mode Selector with Sport Mode and new Track Mode
- Competition Mode (within Sport and Track Modes) includes performance instrument readouts, launch control, shift lights and more
- Satin Black hood wrap
- Unique 3-piece spoiler
- Black outside rearview mirrors
- Suede-wrapped flat-bottom steering wheel and short-throw shifter
- Head-Up Display (HUD)
- Available RECARO® performance seats

¹ Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle’s performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires/ or see your dealer.

PACKAGING AND ORDERING: TRIM LEVELS

The 2019 Camaro has been priced¹ to compete more directly against competitors at the entry level end of the segment while adding new looks, more choices and features to maintain its legendary performance status.

| 2018 | | 2019 | | |
|---|---|---|--|---|
| LS STARTING AT \$26,900 ¹ | NOW MORE DISTINCTION FROM 1LT. | LS STARTING AT \$25,995 ¹ | LS Unique content and 8-speed paddle-shift automatic transmission is now available. |  |
| 1LT STARTING AT \$27,695 ¹ | | 1LT STARTING AT \$26,495 ¹ | 1LT Similar content to 2018 1LT, now with two transmission choices. |  |
| 2LT STARTING AT \$31,495 ¹ | 1LT CONTENT + LEATHER-APPOINTED SEATS. HIGHLY-CONTENTED WITH STANDARD 3.6L V6. | 2LT STARTING AT \$28,495 ¹ | 2LT 1LT content with standard leather-appointed, heated and ventilated front seats. |  |
| | | 3LT STARTING AT \$31,995 ¹ | 3LT Same content as 2018 2LT, with standard 3.6L V6 and Navigation ² . |  |
| 1SS STARTING AT \$37,995 ¹ | | 1SS STARTING AT \$37,995 ¹ | 1SS/2SS/ZL1 10-speed paddle-shift automatic transmission now available on SS models. Pricing and standard content will remain consistent with 2018. |  |
| 2SS STARTING AT \$42,995 ¹ | | 2SS STARTING AT \$42,995 ¹ | |  |
| ZL1 STARTING AT \$62,495 ¹ | | ZL1 STARTING AT \$62,495 ¹ | |  |

¹ Manufacturer's Suggested Retail Price. Excludes tax, title, license, dealer fees and optional equipment. ² Map coverage available in the United States, Puerto Rico and Canada.

PACKAGING AND ORDERING: WHAT'S NEW FOR LS/1LT

FURTHER DISTINCTION, LOWER PRICING, MORE CHOICES.

2018

LS/1LT COUPE
STARTING AT \$26,900-\$27,595 MSRP¹

For 2018MY, the only differentiation between Camaro LS and 1LT trims was the transmission (6-speed manual on LS and 8-speed automatic on 1LT).

2019

LS COUPE
STARTING AT \$25,995 MSRP¹

LS will now see further distinction from LT with unique content and new lower pricing.

LS content includes:

- 2.0L Turbo engine only
- Standard 6-speed manual or available 8-speed paddle-shift automatic transmission
- Unique 18-inch wheels
- 4-way manual front-passenger seat with power recline (replaces 6-way power from 18MY)
- Minimal factory options (must move up to 1LT for more content)

1LT COUPE
STARTING AT \$26,495 MSRP¹

1LT content is similar to 2018 with several available options and now two transmission choices.

1LT content includes:

- Standard 2.0L Turbo or available 3.6L V6 engine
- Standard 6-speed manual or available 8-speed paddle-shift automatic transmission

¹ Manufacturer's Suggested Retail Price. Excludes tax, title, dealer fees and optional equipment.

SEE ALL TRIM LEVEL CONTENT >>

PACKAGING AND ORDERING: WHAT'S NEW FOR 2LT/3LT

NEW CONTENT AND PRICING.

2018

2LT COUPE
STARTING AT \$31,495 MSRP¹

For 2018MY, a highly contented 2LT trim provided customers with a significant jump to a higher-end leather-appointed LT option.

2019

2LT COUPE
STARTING AT \$28,495 MSRP¹

The 2LT offers 1LT content with standard leather-appointed seats. It bridges the gap within the LT lineup by providing a content/price “sweet spot.”

2LT content includes:

- Standard 2.0L Turbo or available 3.6L V6 engine
- Standard 6-speed manual or available 8-speed paddle-shift automatic transmission
- Standard leather-appointed heated/ventilated seats
- Standard dual-zone climate control

NEW 3LT COUPE
STARTING AT \$31,995 MSRP¹

A new 3LT carries over the same uplevel content as the 2018 2LT trim and adds standard 3.6L V6 for an even better value.

3LT content includes:

- Standard 3.6L V6 engine
- Standard 6-speed manual or available 8-speed paddle-shift automatic transmission
- Standard Chevrolet Infotainment 3 Premium System² with Connected Navigation³ included
- Standard Bose® Premium Audio System

➤ 2019 SS AND ZL1 PRICING AND CONTENT STRATEGY WILL REMAIN CONSISTENT WITH 2018MY.

¹ Manufacturer's Suggested Retail Price. Excludes tax, title, dealer fees and optional equipment. ² Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³ Map coverage available in the United States, Puerto Rico and Canada.

FOR MORE INFORMATION ON AVAILABLE CHEVROLET ACCESSORIES FOR CAMARO, VISIT [CHEVROLET.COM/ACCESSORIES](https://chevrolet.com/accessories) OR CONTACT YOUR ADI FOR MORE INFORMATION.

NOTE: Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Chevrolet Parts sold over the counter, or those not requiring installation, will continue to receive the standard GM Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Does not apply to Associated Accessories. See your dealer for details.

Most GM parts and accessories sold and installed on a GM vehicle by a GM Dealer or a GM-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If GM accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Does not apply to Associated Accessories. See your dealer for details.
